## **BE AWARE!!**

---

### **ISA's lose their tax free status when you become a Spanish resident.**

You need to transfer them to their equivalent in Spain so the interest can continue to grow tax free in Spain.

In terms of pensions and SIPPs, do you still have a UK IFA?

UK IFAs are **no longer legally** able to look after or advise EU residents.

Our specialist regulated team can offer ongoing **FREE** advice on UK Pensions and ISAs to UK Expats that are now Spanish residents.
