- Probate on your estate conducted at **33% less** than our usual fee of 1.75% + v.a.t. of the estate total meaning your executors will pay just 1.16% + v.a.t if they choose to use us. Remember 94% of all executors nominated will not conduct the work themselves but will pass it to a solicitor to deal with whose charges could well be 4 or 5 times more than your guaranteed amount here. Typically, on an estate of £350k, with this cover in place, your beneficiaries will **save £2000+ in solicitor's probate fees**. At £9.99 per month you would have to have the cover in place for 200 months (16 years) before it did not prove to be a

cheaper option and save your beneficiaries money. It really is a no brainer!

- If you have a stand-alone Property Trust registered on the Land Registry this cover will also provide your compulsory Annual Trust Minutes production for you Free of charge every year keeping your Trusts up to date with the latest changes in your circumstances and adding the latest relevant legislation to your Trust documents when it happens without charge to yourself meaning that your Trust will never be able to be considered "old" or "not up to date" by a local Authority or Court while at the same time saving you having to pay our usual standard fee of £140 per year for the production of your Annual Trust Minutes document saving you £20 a year on this one service alone.
- A secure digital vault directly accessed from home in which to store all your online passwords and access codes that only you (in your lifetime) and your executors (after your death with proof of their ID, a copy of your Will and a death certificate) will have access to.
