

Vaccinate yourself and your family against all future fees

with

Priority Client Cover

For just £1.15 per week

- **FREE** updates **FOR LIFE** on all the documents we produce for you
- **50% off** of all future purchases of any of our own services
- **FREE storage** of up to 10 of your important documents (including birth certificates etc)
- **HALF PRICE** document witnessing service every time you make a change
- **FREE 48hour EXPRESS** production of all your future documents or changes
- **DOUBLE M&S vouchers** for all successful referrals - that's up to £50 for each one

PLUS - save your family £1000s on probate fees when the time comes:

- 94% of all appointed executors will instruct a solicitor to conduct the probate work for them when they realise how much is involved
- The average fee charged by a solicitor to undertake this work equates to around 3% of the estate value
- With Priority Client Cover in place however, your executors will be charged just 1.16% + v.a.t of the estate value to complete all the probate work for them
- With the average estate having a value of £300k the fee including vat at 3% would be £10,800
- With Priority Client Cover in place the fee would be just £4176 including v.a.t
- The fee for this cover of just £1.15 per week including v.a.t per person (£4.99 pm) is **guaranteed never to increase** during your lifetime (so long as you keep continuous cover in place) and is therefore an **EXCELLENT** money saving option for everyone
