

When you sign your documents
we can now witness them by video
KEEPING YOU SAFE

**All you need is a device with a camera included
to record you signing your documents**

THE PROCESS

1. We set up a video link to watch and record you signing your documents
2. You then send those documents to us
3. We then sign and witness them with a video link back to you watching us
4. We then store all of your documents securely for you in our fireproof facility or send them back to you to have stored

The fee for our remote video witnessing service is
£30 (inc v.a.t.) for a single person • **£45** (inc v.a.t.) for a couple

HOWEVER, if you take out our Priority Client Cover package, at £9.99 pm (inc v.a.t.) you will get all your witnessing for **HALF PRICE** and we will also store all of your documents for you and provide you with unlimited updates to all of your documents free of charge for life so long as your premiums are kept up to date)

Full details of our Priority Client Cover can be found on our website.
